FANNING MILLS
AND BLOWERS.

LOOK the 1st Prize at the Fall Show of
the North York Ag. Society, for 1861;
also, at Whitelock Township Show.
They are made of the best materials and
are considered by competent judges, to be
the best Mill now in use for cleaning all
kinds of Grain, especially for taking Oats
from Spring Wheat. See the following
Testimonials:

East Gwillimbury, Oct. 8th, 1861.

Mr. Lusk, Dear Sir, I have purchased
one of your Mills, and find it does
its work better than any mill I ever used
with. I can mix oats and wheat all day
and again separate the oats from the
wheat so as to be in seed. So far as I
have tried the mill, I find it will answer
every purpose a farmer may wish.
